Dear Investigator community,

In its 22<sup>nd</sup> year, Investigator College has grown from humble beginnings to now being a world class Anglican College.

We are indeed walking the shoulders of giants as the vision, courage, hard work and faith evidenced by the College staff, the Board and its committees, volunteers and families alike have combined to ensure we are a school of choice on the Fleurieu Peninsula.

As the current Principal and College Board Chair, we respect traditions and understand the need to protect the core values of the College whilst also progressing and advancing our unique brand. We are pleased to release to all in the Investigator College community our strategic plan for the next few years.

This plan reflects feedback gained from a broad group of community stakeholders, including a survey that was sent to all current families. The intention of this plan is to continue current momentum yet seize new opportunities to forge ahead as one of South Australia's leading learning institutions.
